This isn't a computer game.

This is the real stuff.

SkyBox,™ the real stuff from the NBA, is back in action with new Series II cards, including coaches, lottery draft picks, both new and traded players and team logo cards.

Like all the Inaugural Edition SkyBox cards, Series II cards were created by a team of graphic artists and computer designers using state-of-the-art technology.

The results are spectacular. The front of each player card features a unique computer-generated background that emphasizes movement and action. On the back of each player card is a personality shot of the player and statistics generated by the official NBA Scouting Computer.

Look for SkyBox Series II cards wherever you buy trading cards.

They're the real stuff.

Exclusive Free Offer: For a Special Limited Edition NBA Logo Card, send your full name, address, and date of birth to SkyBox, P.O. Box 2600-M, Salisbury, MD 21802.

COMING IN JUNE

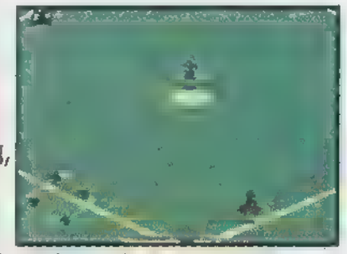
BASE WARS. IT GIVES NEW MEANING TO SLUG FEST.

In the 24th Century, baseball legends are made, not born. Because this is Ultra's® Cyber Stadium Series – Base Wars™ for your NES.™ And baseball's high priced heroes have been replaced with hulking mechanical he-men resembling humans, half-ton tanks and unidentified fielding objects. And they're programmed to pound, punch and blast it out for base possession.

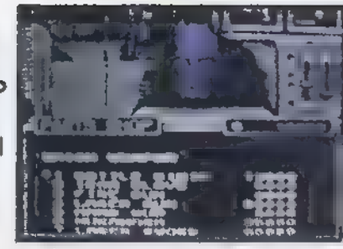
Fortunately, you can cash in your Cyber League winnings for parts, repairs and a wild assortment of metal shearing weapons. And if the battles get too brutal, just save the teams and stats for another day.

So choose your bionic ball clubs, set the robot rosters, and go circuit to circuit in single games or a tortuous 10 game pennant chase. See if you can survive America's favorite bashtime.

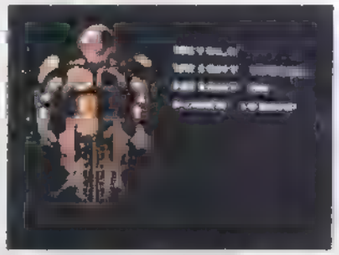
"HE'S GOT A CANNON FOR AN ARM"
- Control the speed, direction and path of every pitch, including the flashy Ultra-Fastball.
- Strategically adjust the pitcher's and batter's position.



ALL THE SIGHTS, SOUNDS AND STRATEGY OF BASEBALL
- It's all here – pitching, hitting, fielding, running, and catching. Just be sure to duck when the shrapnel flies.
- Awesome selection of music and super sound effects. You'll feel like you're right inside Cyber Stadium.

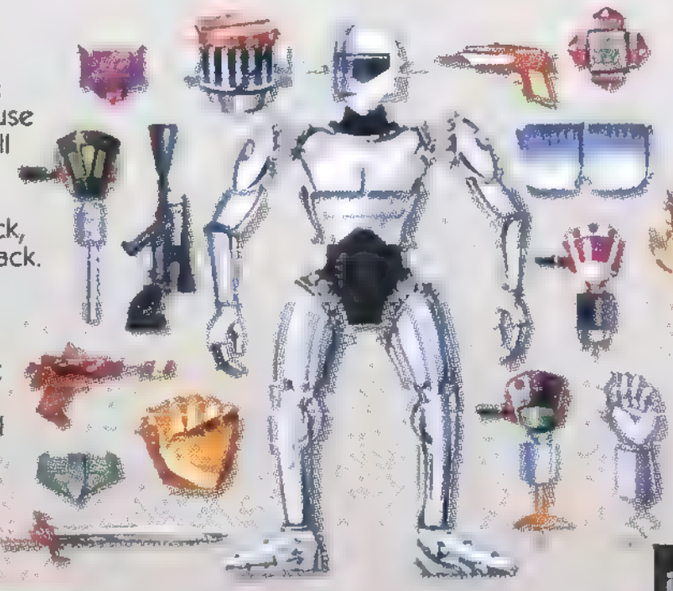


SHOP TILL YOU DROP A BUNDLE
- Rexy the Riveter will wait on you in the Parts Shop.
- Use your Cyber League cash winnings to buy parts, repairs and weapons.
- Choose from 22 different protective and offensive items including iron gloves, hyper engines, laser swords and more.



UP-TO-DATE DATA AT YOUR FINGER TIPS
- Review any robot's current equipment.
- Four different models of mechanical maulers, each with specialized circuitry for playing a specific position.

TAKE ME OUT AT THE BRAWL GAME
- Getting around the bases is brutal because if you want one you'll have to fight for it. No force outs!
- Beat, cut, thrust, kick, jump and spin to attack.
- Engage the special combination attack sequence.
- If your all important Hit Points reaches zero your cyborg will explode in a cloud of nuts and bolts. Three blown cyborgs and you're out.



YOUR TEAMS ARE AT YOUR COMMAND
- Name your own teams and robots, set the line-up, assign field positions, even determine which robots are right-handers and southpaws.
- Challenge a friend or take on the NES itself.
- Battery back-up lets you save all the teams and key stats.

STAN'S SOAPBOX

Hi, Heroes!

Since the ol' Soapbox is the most widely-read column in all of comicdom, this is the perfect place to make two very special announcements. . .

Archie Comics has bought both Marvel and DC! That means from now on Wolverine and The Punisher will be dating Betty and Veronica in their spare time. As for Batman, he's hired Jughead, the Boy Wonder, in place of Robin!

Also, the X-Men have accepted the application of The Teenage Mutant Ninja Turtles to join their ever-expanding team! But it isn't true that Professor Xavier will be replaced by Splinter. Splinter is merely changing the prof into a turtle!

There's more, but I've run out of room. I've only enough space left to wish you — HAPPY APRIL FOOL'S DAY!

Excelsior!

Stan Lee

(Hey, anyone can go bonkers once in a while!)

ITEM! All Marvel editors have been required to shave their heads by April 30. It seems many of the male Marvel editors are balding, and are very sensitive about this. In an effort to avoid people's feelings being hurt, Marvel Editor In Chief **Tom DeFalco** was the first to take a razor to his own head. Many have commented that Tom's new look makes him look more distinguished, sort of like Sinnead O'Connor. Said Tom, "Since most of our people were losing their hair anyway, it seemed like the only decent thing to do." APRIL FOOL!

ITEM! Editor **Renée Witterstaetter** promised a new direction for WHAT THE—?!! this year. Said Renée, "WHAT THE—?!! will be grimmer and grittier this year. We're trying for a much darker feel for the book." As Renée put it, "A lot of fans were writing in saying the book was not taking itself seriously enough. They felt the book was just a big joke. Well, not any more!" Renée added that "I want to prove that I thirst for blood, just like **Bobbie Chase** said she does!" APRIL FOOL!

ITEM! Let's all have a big hand for Publisher's Assistant Coordinator **Kevin Tang**, who as we all know, was the big winner last Halloween in the Limbo and Human Snake competitions. Kevin recently took a position in the Sales Department, serving as Assistant to **Skip Dietz**. Also, our old buddy **Dan Slott** (who was last seen filling in as **Ralph Macchio**'s assistant) is back, now serving as Marvel's one-man Art Return Department. Congratulations, you guys. Now, pack your bags! You're both fired! Get out of here! APRIL FOOL!

ITEM! The Marvel staff was treated to a surprise visit the other day from funnyman Bob Hope. Bob says he's always been a big fan of Mighty Marvel, and had always wanted to do a show in the Marvel offices. So much to the delight of everyone, Bob rigged up a makeshift stage and performed an impromptu show. Bob quipped, "I did a show at DC the other week, and I gotta tell you, it was a little strange. They made me use a phone booth for a dressing room!" The whole Marvel staff was delighted by Bob's visit—it was as if we were watching a USO show, or even one of Bob's NBC specials. APRIL FOOL!

ITEM! Well, we're all pleased as punch about the colossal success of the new TOXIC AVENGER #1! It's turning out to be the most successful comic of all time! We've sold over five billion copies, more than one for every man, woman, and child on Earth! Naturally we'll be reprinting TOXIE #1 in as many formats as possible. We're planning new printings with green, gold, and blue covers, and—here's the part we're really excited about—we'll be printing one issue using actual toxic waste! APRIL FOOL!

ITEM! Editor **Mike Rockwitz** stunned the comic world recently when he announced his retirement from comic book editing. Rockwitz will be opening up a White Castle hamburger restaurant in Queens, New York, where he plans to spend the rest of his days eating as many of those square little hamburgers as humanly possible. Mike has always loved White Castle, and feels this is the best way to give back to something that's given so much to him. APRIL FOOL!

ITEM! In a surprise development, it was announced recently that THE PUNISHER IS ACTUALLY A MUTANT! This came as a big shock to everyone, until we discovered that his mutant power is the ability to sell lots of comics. Look for our newest title, X-PUNISHER, coming soon. APRIL FOOL!

ITEM! You all know that editor **Don Daley** is a big jogging buff, but here's something that may really raise your eyebrows. Don's next race is a three-mile foot race along the bottom of the ocean! When asked how he plans to train for this aquatic event, Don responded, "I'm going to start holding my breath!" APRIL FOOL!

ITEM! SLEEPWALKER is a brand-new title debuting this month, and it's a superhero book with an unusual twist. The comic concerns the adventures of a crimefighter who walks around in his sleep, defeating criminals by accidentally bumping into them! APRIL FOOL! Actually SLEEPWALKER is about a man whose dreams summon a crimefighting being from another dimension! It's by **Bob Budiansky** and **Bret Blevins**, and it promises to be the sleeper hit of the year! GROAN!

ITEM! Assistant editor **Suzanne Dell'Orto** finally had her name mentioned on the Bullpen Bulletin Page. APRIL FOOL!

ITEM! We've got lots of other first issues going on sale this month, such as the third DAMAGE CONTROL Limited Series (this one by Dwayne MacDuffie and Kyle Baker!), SAMURAI CAT, and CAR WARRIORS! APRIL FOOL! Those titles aren't really coming out! APRIL FOOL! Yes, they are! We were just kidding! APRIL FOOL! But not really! APRIL FOOL! No, but really they are! We really had you going that time. APRIL FOOL! Not! Ha! By now, you're so confused you won't know if they're coming out or not, so you'll just have to keep haunting your comic shop to find out!

HONEST HYPE BOX

So many companies have been banging on our door wanting to use our characters on their products, you'd think that half the business world was run by Marvel fans. And with all those companies starting to come out with their great Official Marvel Licensed Products (you know, those nifty things like toys, trading cards, PVC figures, gift items, clothes, bedding—hey, take our word for it, the Nineties is going to be *the* decade for Marvel merchandise) the phones have been ringing off the hooks and tons of mail have been coming in from frantic fans wanting to know where in the name of Aunt May's wheatcakes can they get all this stuff?

Well, worry no more, pilgrim! Starting on April 1st the Spencer Gifts store chain is launching what we modestly consider to be the most spectacular Marvel merchandise promotion yet! For one month, each of the 440 Spencer Gifts stores nationwide is going to be jam-packed with Marvel comics, collectibles, merchandise and more! There'll be personal appearances by your favorite Marvel super heroes and villains and . . . well, we could go on and on, but words can't even begin to describe the fun you'll have seeing for yourself what's inside the Spencer Gifts stores. To find out where the closest Spencer Gifts store is to where you live, call 1-800-762-0419. So check it out—tell 'em Marvel sent you!

ATTENTION CORRESPONDENTS: IF YOU DON'T WANT YOUR FULL ADDRESS PRINTED, PLEASE BE SURE TO TELL US SO!

Dear Mighty,

To Milt Knight (artist-slash-artist) and Glenn Herdling (writer-slash-writer): I salute you!!!

Having read *thousands* (yes, thousands!) of comics over the years, I have laughed, guffawed, chuckled, smirked, etc.—but MIGHTY MOUSE #6 made me *laugh my posterior off!!!*

Kaaren Kirmaier
E. 403 Crown
Spokane, WA. 99207

Kaaren, we're sorry about your...you know... falling off and all. But you knew the risks when you picked up the book. 'Nuff said.

Dear Friends,

Issue #6 floored me! It was a tremendous achievement in comics! Mr. Herdling's script was a cool blend of on-beat and off-beat humor. Marie's inks were sublime. However the true magnificence is due to Milton Knight.

This guy is unbelievable! He captures the beauty of Paul Terry's conceptions perfectly, yet reveals his own style throughout. I've reread the issue at least six times and am still amazed! What a wonderful experience from a comic book! I only wish other comics could reach this standard! Congratulations to all involved! And to you, Mr. Knight, you have made a fan for life!

Peter Glass
442 Ellwood Bch. Dr. #7
Goleta, CA. 93117

Glad you liked it, Peter! Drop us another line and tell us what you thought of Milt's Bat-Bat pencils. Consider it a duty which befalls all members of the Milt Knight fan club.

Dear Mighty-Dudes,

Okay, I admit it. I don't normally read MIGHTY MOUSE, but when I saw the cover, I had to have it! The story spoofing artist-slash-writer Todd Mc Whatshisname was absolutely great! I especially loved the transition from the regular art to the MacFurline art!

As for Milt Knight's art, it was GREAT! Maybe he could start doing art for SPIDER-MAN... Maybe he already is...

Matt Talbot
62 Masloma St.
Lebanon, NH 03766

Chalk up another member for the Milt Knight fan club! Two more, and you and Peter could get a decent game of bridge going.

Dear Mighty Mouse Editors,

I think Milt Knight did great artwork in Mighty Mouse #6. I would like to see more of his artwork in the upcoming issues. Keep up the good work.

Robert Scott
HCR 1, Box 43C
Dumas, TX 79029

Gosh! You guys like this Knight guy. You really, really like him!

Dear Mousketeers,

With the release of MIGHTY MOUSE #6, your comic seems ready to really take off (no pun intended). Milton Knight's pencils were a delight, they bring real madcap back into Marvel-something rarely seen since the great Marie Severin stories in NOT BRAND ECCH. I can't wait to see how Milt handles Bat-Bat! Hey, how about getting Marie to pencil *and* ink a story once in a while?!

Mike Collins

Dear Mighty Mail,

I held MIGHTY MOUSE #6 in my sweaty, shaking hands—realizing that his comic had done for me what no other funny book, besides perhaps FLAMING CARROT, has done in a long long time. It made me laugh out loud!

The art was fantastic, wonderfully mixing old style with McFarlane gritty glitz. The story recalled the best in satirical comic writing, ala Steve Gerber's Howard the Duck. Finally this book is reaching its potential, leaving behind the self-flattering parodies of past issues and entering the realm of class!

Andy Koloros
Benington Coll.
Bennington, VT 05201

We sincerely apologize for having any class in this title, Andy. It was an accident. It won't happen again. Trust us.

Dear Marvel,

MIGHTY MOUSE #6 was hilarious! I love the way you spoof everything in the comic book industry; this is no-holds-barred satire! The wonderful thing is that the spoofs are so obvious, people who haven't read the originals know what's going on.

The jokes are great too. The "crushed nuts?" "Don't tempt me!" exchange on page 11 was the funniest thing I've read in months (with "Would someone please tell the narrator to stop switching between first, second, and third person narration!" running a close second)! It was also great to see Mighty break the fourth wall! Classic stuff!

L. Tucker
5809 Robin Lane
Las Vegas, NV 89108-4775

We like it when Mighty breaks the fourth wall, too. We'd do it more often, but the price of fourth walls keeps going up! Know what we mean?

NEXT MONTH: Will MIGHTY MOUSE get canceled? Not if Mighty can help it! Tune in and see the "Mouse of Steel" become the "Mouth of Shpiel" as he has to plug his comic on the Late Night with David Udderman show!
